

THERAPOOL D

Shown with optional waterproof iPad® case and heavy duty suction stand.

THERAPOOL D measures close to 8' x 11' and has a massive 60" depth. It has more than 50 jets with three high-performance flow stream swim jets for resistance training and aquatic exercise. It comes standard with the H2Xercise System* for rowing and strength training and a stainless steel exercise bar. The Therapool D is the perfect spa for exercise, fitness or family fun and comes standard with waterline LED lighting, a waterfall and stainless steel jets.
